SUMMARY

Hello, I am Serhat İsmail Zunluoğlu, I am studying in the 4th year of Computer Engineering Department at Necmettin Erbakan University. I am trying to improve myself in the front-end field. I am interested in Html, CSS, Boostrap, Javascript and React and I'm trying to learn these technologies. I try to develop myself and gain experience by participating in communities and taking an active role in clubs.

EDUCATION

Bachelor of Computer Engineering   Aug 2020 - Present
Necmettin Erbakan University, Konya/Turkiye

EXPERIENCE

Jr.Front-End Developer   Oct 2023 – Present
Invivo Software and Technology Inc.
I work part-time as a remote Jr. Front End Developer in this startup and we work with technologies such as **HTML, CSS, Bootstrap, SASS** and **React**. I worked with Rest APIs and developed mobile compatible interfaces.

Intern UI Developer   Aug 2023 – Sep 2023
Jotform
I was one of the 4 trainees who formed the jr.phoenix team under the phoenix team at jotform company. I am working as a UI Developer Intern in this team.

Head of R&D Department and Supervisory Board   Apr 2022 - Present
Mirketgiller
As Mirketgiller, we organize events and webinars. We cooperate with companies, communities and different organizations. I work here as the Head of the Research and Development Department and the Chairman of the Supervisory Board.

Yurt-Time Sports Student   Oct 2022 – Feb 2023
Ministry of Youth and Sports   Oct 2023 – Jan 2024
In the Yurt-Time Sports Project at KYK Seydişehir dormitory, I assisted with students' permission, entry-exit procedures, and event organization. I worked on this project for 2 semesters, serving as Project Coordinator in the second semester.

Intern   Aug 2022 – Aug 2022
Akım Metal R&D Center
At Akım Metal R&D Center Software Team, I first reinforced my knowledge about HTML and CSS.
Then I tried to learn Javascript and Angular's structure.

VOLUNTEER EXPERIENCE

Social Assistant   Mar 2023 - Present
Kodluyoruz
I am a volunteer at Kodluyoruz. We organize trainings and game events on discord in long bootcamps.

Core Team Organizer   Mar 2023 - Present
Google Developers Student Clubs NEU
I am Core Team Organizer of Google Developers Students Club Necmettin Erbakan University.
